FINMECCANICA
1948 - 2008

A legacy for the future.

50 years at the core of Naval Systems

The 50 years experience in equipping over 100 sea vessels for over 40 customers worldwide, makes SELEX Sistemi Integrati a key player in the development and supply

of integrated combat systems, weapons control systems, long and medium range radar, surveillance radar, multifunctional radar, costal radar, simulation and training.
